Because of recent terrorist events in the United States, service members, civilians and dependents are reminded to take the following precautions: personnel should remain vigilant and report suspicious vehicles, people and packages to the Military Police; keep all security windows and doors locked, even when you are at home; post emergency telephone numbers next to the telephone.

When traveling by car, keep your car doors locked and windows closed; be careful about what you say in public; watch your personal and telephone conversations; when off-post, dress to blend in, avoid loud conversation; park in well-lit areas and avoid isolated areas. Let immediate family and or friends know your plans and what time you expect to return; avoid large gatherings.

Additional security precautions are outlined on the European Command Web site at www.Eucom.mil/Directorates/ECPA/News.

Powder Coffee Creamer Recalled

Nestle USA has voluntarily recalled its Coffee-Mate Lite Powder Coffee Creamers. A recent change in product formulation, combined with exposure to unusually high summer temperatures

during transit caused the product to develop an unpleasant odor and/or taste. Even though these items do not pose any health risk, Nestle initiated the voluntary withdrawal.

The two items affected by this recall are: Coffee-Mate Lite Powder Non-Dairy Coffee Creamer 16 ounce/UPC 050000-30132 and Coffee-Mate Lite Powder Non-Dairy Coffee Creamer 6 ounce/UPC 050000-30082. Customers who purchased this product should return it to a local commissary for a full refund.

Should you wish to donate annual leave to either Stan or Deborah Seifert, fax a leave donation form to 370-7383.
